

Additional questionnaire for applications (spouse visa) filed via VFS

Dear applicant

In order to allow the visa section to process your application swiftly, please answer the following questions concerning your marriage in English.

Please note that the visa section reserves the right to invite you to an individual interview at the visa section itself.

Please note the in case of documents (marriage and / or birth certificates) not issued by German authorities a further document verification might be deemed necessary either by the visa section or the alien authority in Germany. You will be contacted by the visa section directly upon receipt of your application if such a verification process has to be done.
